

S5-90U, S5-95U/F, S5-100U - Bus units, DIN rail

Overview

Bus modules

In the case of the S5-100U and with possible expansion of the S5-90U and S5-95U/F, the internal bus is made up of individual bus modules.

Standard rail

The standard rail permits direct accommodation of the S5-95U, S5-95U/F and S5-100U programmable controllers.
